This article was published in *Psychological Medicine* with some errors in Table 1. The AFR and EUR case numbers have been swapped and the OUD counts have been corrected to read: [EUR cases = 10544; EUR controls = 72613] and [AFR cases = 5212; AFR controls = 26876]. A reference was also not cited appropriately in the main text and has been fixed.

The authors apologise for this error.
