Correction to: *The EMBO Journal* (2011) **30**: 4171–4184, DOI: 10.1038/emboj.2011.294 | Published online 16 August 2011

The authors contacted the journal regarding an error in Figure 3D. The authors state that the (–)ABA PAGE-SDS panel of gel-filtration fractions (left peaks) from the SEC-MALLS analysis was incorrectly displayed. The corrected figure including the correct original data

for both (–)ABA and (+)ABA and the source data for the figure are published with this notice.

The authors apologize for any confusion this error may have caused.
