Erratum to MUC5AC Expression in Various Tumor Types and Nonneoplastic Tissue: A Tissue Microarray Study on 10 399 Tissue Samples. *Technology in Cancer Research and Treatment* 20:1–13. DOI: 10.1177/15330338211043328

SAGE inadvertently missed to add the author contribution statement. The statement hence should be read as follows:

Till Krech\* and Andreas H. Marx\*

\*These authors share senior authorship.
