(Molecular Therapy: Nucleic Acids 19, 304–317; March 2020)

This article has been retracted at the request of the editors.

Molecular Therapy – Nucleic Acids is retracting this article. After receiving an email from one of the authors, evidence for image duplication in identical or altered fashion in Figures 2A and 7C was identified. This reuse (and in part, misrepresentation) of data without appropriate attribution represents a severe abuse of the scientific publishing system.
