(Molecular Therapy: Nucleic Acids 21, 428–440; September 2020)

This article has been retracted at the request of the editors of *Molecular Therapy – Nucleic Acids*.

After investigating concerns raised by a reader, evidence for misrepresentation of patient survival data in Figure 1B was identified. This misrepresentation of data without appropriate attribution represents a severe abuse of the scientific publishing system. The authors did not respond to the request to retract the paper.
