

## CORRECTION

# Correction to: Irreversible specialization for speech perception in early international adoptees

This is a correction to: Gunnar Norrman, Emanuel Bylund, Guillaume Thierry, Irreversible Specialization for Speech Perception in Early International Adoptees, *Cerebral Cortex*, 2021, bhab447, <https://doi.org/10.1093/cercor/bhab447>.

In the originally published version of this manuscript, the following funding statement was omitted from the Funding section: “GT is supported by the Polish National Agency for Academic Exchange (NAWA) under the NAWA Chair Programme (PPN/PRO/2020/1/00006)”

This error has been corrected.
