

ERRATUM

Salmonella Dublin faecal excretion probabilities in cattle with different temporal antibody profiles in 14 endemically infected dairy herds – ERRATUM

L. R. NIELSEN

doi:10.1017/S0950268812002579, Published by Cambridge University Press, 19 November 2012.

In the article by L. R. Nielsen [1] incorrect keys were given for Fig 2. The corrected figure is reproduced below:

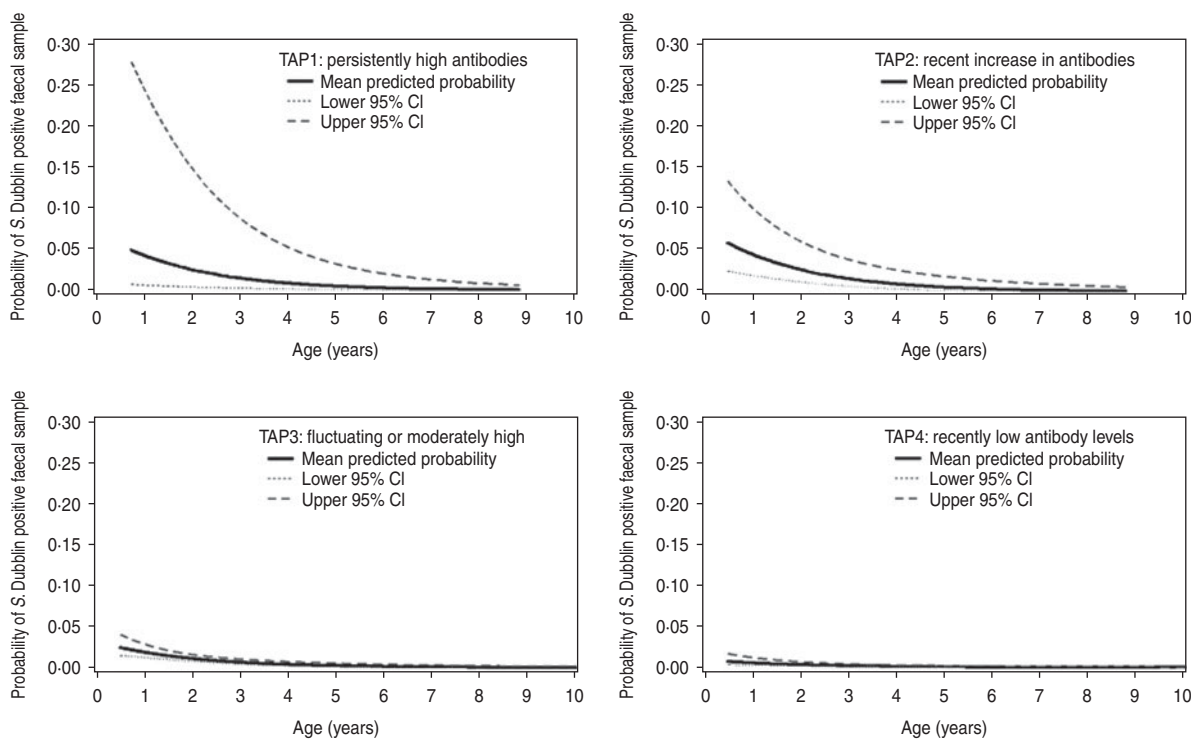

Fig. 2. Model-predicted probabilities of faecal shedding of *S. Dublin* and 95% confidence intervals (CI) vs. age in cattle aged ≥ 180 days with four different temporal antibody profiles (TAP) in 14 Danish endemically infected dairy herds.

We apologise to Dr L. R. Nielsen and the readers for this error.
