## Correction Notice: Serologic Responses to COVID-19 Vaccines in Hematological Patients Are Predominantly Impaired in Lymphoid but not in Myeloid Malignancies

Since the publication of the article entitled “Serologic Responses to COVID-19 Vaccines in Hematological Patients Are Predominantly Impaired in Lymphoid but not in Myeloid Malignancies” (*HemaSphere*. 2022;6(3):e686), the authors have requested a spelling correction for author Christian Irsara. In the original publication, his surname, Irsara, was missing one letter. This has now been adjusted.

The changes have been made online:
