

Correction to: MiR-211/STAT5A Signaling Modulates Migration of Mesenchymal Stem Cells to Improve its Therapeutic Efficacy

This is a correction to Hu X, Chen P, Wu Y, et al. MiR-211/STAT5A signaling modulates migration of mesenchymal stem cells to improve its therapeutic efficacy. *Stem Cells*. 2016;34(7):1846-1858. <https://doi.org/10.1002/stem.2391>.

In the originally published version of this article, there is an error in Figure 4, Panel A. The image representing “miR-211 over” is a duplicate of the image representing “Double over”. The corrected Figure 4 is shown below. These details have been corrected only in this correction notice to preserve the published version of record.
