

## Erratum: A deep dive into the latest European Glaucoma Society and Asia-Pacific Glaucoma Society guidelines and their relevance to India

In the article titled "A deep dive into the latest European Glaucoma Society and Asia-Pacific Glaucoma Society guidelines and their relevance to India", published in pages 24-35, Issue 1, Vol. 70 of Indian Journal of Ophthalmology,<sup>[1]</sup> Fig. 1 had inadvertent errors: 1. "visible <180 degrees" should read "Scleral spur visible <180 degrees" and 2. text box titled PACS "Yes" should read as "No". The figure legend and figure number are correct. The corrected figure is as below.

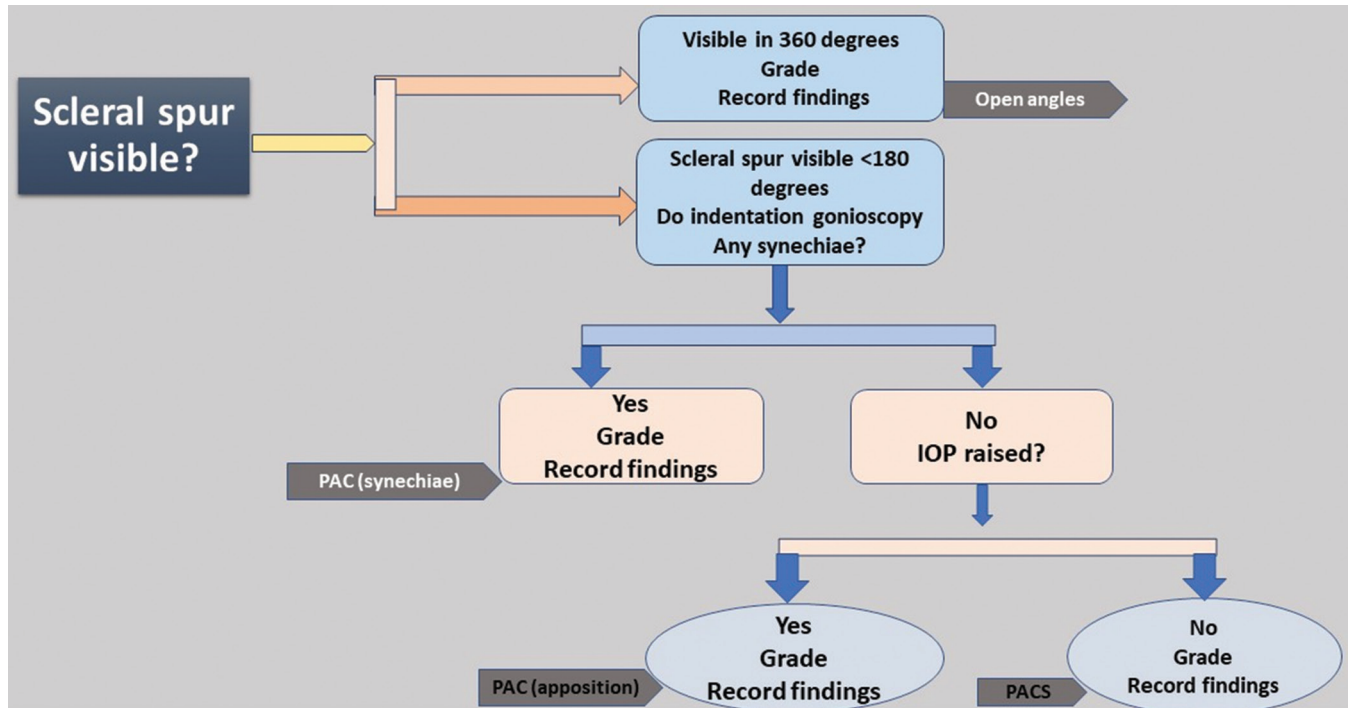

Figure 1: The APGS recommendation on gonioscopy for diagnosis of angle-closure glaucoma
