

Since January 2020 Elsevier has created a COVID-19 resource centre with free information in English and Mandarin on the novel coronavirus COVID-19. The COVID-19 resource centre is hosted on Elsevier Connect, the company's public news and information website.

Elsevier hereby grants permission to make all its COVID-19-related research that is available on the COVID-19 resource centre - including this research content - immediately available in PubMed Central and other publicly funded repositories, such as the WHO COVID database with rights for unrestricted research re-use and analyses in any form or by any means with acknowledgement of the original source. These permissions are granted for free by Elsevier for as long as the COVID-19 resource centre remains active.

## Correction

In the article, “Differential Effects of the COVID-19 Pandemic on Physical Activity Involvements and Exercise Habits in People With and Without Chronic Diseases: A Systematic Review and Meta-analysis” ([https://www.archives-pmr.org/article/S0003-9993\(22\)00322-7/fulltext](https://www.archives-pmr.org/article/S0003-9993(22)00322-7/fulltext)), an author’s name in the byline was spelled incorrectly: Suk Ki Yau should be Suk-Yu Yau

The article has been updated online to reflect this change.

0003-9993/\$36
