Correction to: *Eye* <https://doi.org/10.1038/s41433-021-01763-z>, published online 16 September 2021

In this article, the affiliation 'Institute of Medical Science, Temerty Faculty of Medicine, University of Toronto, Toronto, ON, Canada' for authors Kavin Selvan and Elise Héon was missing.

Under "Subjects and Methods" and sub-section of "Data collection" it says "The interview guide (Appendix A)". The wording Appendix A was deleted, because Appendix A does not exist.

The original article has been corrected.
