The authors wish to correct the Declaration of Interests and Contributors section. The corrected statements are presented below.

Declaration of interests

P.G is a member of the development board for Sepsis Trust UK with no cash incentive. All other authors have declared no potential competing interests.

Contributors

PG conceived, designed, wrote and edited. TEW is responsible for conceptualization of applying the mathematics for an excitable medium, designed, wrote and mathematically constructed Figure 3, Figure 4, Figure 5. MC and SO edited. PRSR wrote, edited and constructed Figs. 1, 2 and 6. All authors read and approved the final version of the manuscript.

The authors apologize for any inconvenience caused.
