Correction

When the following manuscripts published into Volume 52 Issue 6 of the *Japanese Journal of Clinical Oncology*, pagination information provided in their HTML version was erroneous:

<https://doi.org/10.1093/jjco/hyac025>

<https://doi.org/10.1093/jjco/hyac038>

<https://doi.org/10.1093/jjco/hyac079>

Consequently, pagination information of all the manuscripts published into Volume 52 Issue 7 and Volume 52 Issue 8, was incorrect.

The Publisher apologizes for these errors, which have now been corrected.
