In the originally published version of this article four issues were noted. First, on page 1, second column, paragraph 1, line 16 reads, “antibiotics and in are inhibited by beta-lactamase...”. It should rather read, “antibiotics and are inhibited by beta-lactamase”. On the same page, column and paragraph, line 20 reads, “*bla*SHV and *bla*CTX-M genes with the former being ...”. Instead it should read “*bla*SHV and *bla*CTX-M genes with the latter being ...”. On page 8, column 1, paragraph 2, line 7 reads, “[49–54]. Reported all isolates from chronic wounds with”. Instead it should read “[49–54]. Wolters et al. reported all isolates from chronic wounds with “. “Wolters et al.” was omitted. Lastly, on page

of *P. aeruginosa* for ampicillin, ampi-“. Instead it should read “innate resistance of *P. aeruginosa* for ampicillin, ampi-“. The original article has been corrected.
