This article has been withdrawn by the authors. The authors reported that the panel ROP18-WT-GFP/IB: GFP in Fig. 3G was inadvertently reused as panel GFP vector/IB: GFP in Fig. 3G and provided corrected figure. The journal concluded that there were possible images manipulations/beautifications in Fig. 1D, Fig. 2E, and Fig. 4B that could not be resolved. The withdrawing authors stand by the overall findings and conclusions of the study.
