

Correction to ‘Origin of life: protoribosome forms peptide bonds and links RNA and protein dominated worlds’

Nucleic Acids Research, Volume 50, Issue 4, 28 February 2022, Pages 1815-1828, <https://doi.org/10.1093/nar/gkac052>

Reference 74 was added to the original manuscript:

‘Bose, T., Fridkin, G., Bashan, A., Yonath, A. (2022) Origin of Life: Chiral Short RNA Chains Capable of Non-Enzymatic Peptide Bond Formation. *Isr. J. Chem.*, **61**, 863.’

Sentence ‘Adapted with permission from (74)’ was added to the caption of Table 1.

Sentence ‘Reproduced with permission from Bose, T., Fridkin, G., Bashan, A., Yonath, A. (2022) Origin of Life: Chiral Short RNA Chains Capable of Non-Enzymatic Peptide Bond Formation. *Isr. J. Chem.*, 61, 863’ was added to the caption of Figure S8 in the Supplemental File.

These errors have been corrected.
