Correction to: Organ Dysfunction in Patients with Advanced Melanoma Treated with Immune Checkpoint Inhibitors

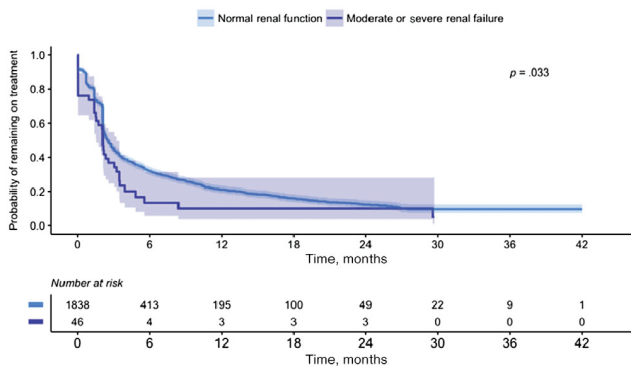

This is a correction to: Susan Spillane, Shrujal Baxi, Aracelis Z. Torres, David Lenis, Andrew N. Freedman, Angela B. Mariotto, Elad Sharon, Organ Dysfunction in Patients with Advanced Melanoma Treated with Immune Checkpoint Inhibitors, *The Oncologist*, Volume 25, Issue 11, November 2020, Pages e1753–e1762, <https://doi.org/10.1634/theoncologist.2020-0055>

In the November 2020 issue of *The Oncologist*, an error was introduced during production of Figure 2. The header label for panel B should read: “Moderate or severe renal failure” instead of “Moderate or severe hepatic failure. The header label for panel C should read: “Moderate or severe hepatic failure” instead of “Moderate or severe renal failure. Figure 2 should have published as follows:

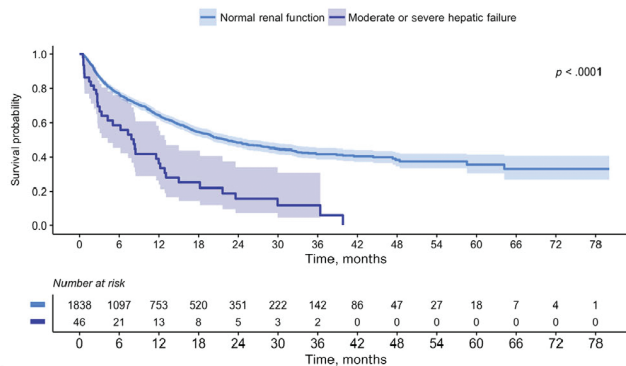

instead of

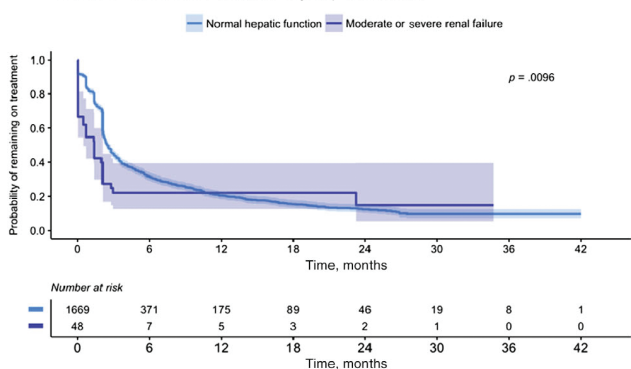

A Time to Treatment Discontinuation by Renal Function

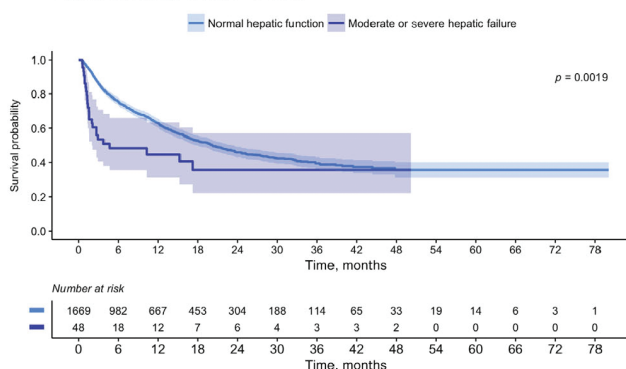

B Overall Survival by Renal Function

C Time to Treatment Discontinuation by Hepatic Function

D Overall Survival by Hepatic Function

These details have been corrected only in this correction notice to preserve the published version of record.
