

RETRACTION NOTICE

Retraction statement: miR-30d-5p suppresses proliferation and autophagy by targeting ATG5 in renal cell carcinoma

<https://doi.org/10.1002/2211-5463.13025>

The above article published online on 03 November 2020 in Wiley Online Library (wileyonlinelibrary.com) has been retracted by agreement between the Editor-in-Chief, John Wiley and Sons Ltd, and the authors. The retraction has been agreed upon following an investigation based on allegations raised by a third party, which revealed inappropriate and unexplained duplications between this and a previously published article [1]. Thus, the editors consider the conclusions of this manuscript substantially compromised.

The first author of this article admitted to adding the corresponding author to this paper without their consent.
