

Statement of Retraction: The Lnc LINC00461/miR-30a-5p facilitates progression and malignancy in non-small cell lung cancer via regulating ZEB2

We, the Editors and Publisher of the journal *Cell Cycle*, have retracted the following article:

Xin Li, Jinghao Liu, Minghui Liu, Chunqiu Xia, and Qingchun Zhao. The Lnc LINC00461/miR-30a-5p facilitates progression and malignancy in non-small cell lung cancer via regulating ZEB2. *Cell Cycle*. 2020;19(7);825-836. doi:[10.1080/15384101.2020.1731946](https://doi.org/10.1080/15384101.2020.1731946).

Since publication, concerns have been raised about the integrity of the data in the article. When approached for an explanation, the authors have cooperated with our investigations but have been unable to fully address the concerns raised and have not been able to provide their original data in the appropriate format. As verifying the validity of published work is core to the integrity of the scholarly record, we are therefore retracting the article. The corresponding author listed in this publication has been informed. The authors agree with the retraction.

We have been informed in our decision-making by our policy on publishing ethics and integrity and the COPE guidelines on retractions.

The retracted article will remain online to maintain the scholarly record, but it will be digitally water-marked on each page as 'Retracted'.
