Subject Consultation on modifying co authors

5th Apr 2023

Dear Jiaming Liang

Due to the significant contributions made by Kun Yang and Yang Zhao in the revision process of the article "Ferroptosis landscape in prostate cancer from molecular and metabolic perspective" submitted to Cell Death Discovery. we have decided to add them to the co authors list. We now need to seek the agreement of other co authors. Please reply to your feedback.

Best regards,

Ning Jiang

Dear Pros. Ning Jiang,

Thank you for reaching out to me and offering me the opportunity to be a co-author on the article "Ferroptosis landscape in prostate cancer from molecular and metabolic perspective." I am honored to be recognized for my contributions to the revision process of the article.

I am happy to provide my agreement to be included as a co-author on this publication. Please let me know if there is any further information or documentation required from my end.

Thank you again for considering me for this opportunity. I look forward to collaborating with you and the other authors.

Best regards,

Yang Zhao
