Read

- Read product labels every time you purchase an item. Ingredients and precautionary labeling may change at any time. Please inform the study staff if you notice any label changes in the products listed.

Serving Suggestions

- Peanut portion may be mixed with other foods (e.g., applesauce, smoothies, or pudding) or cooked in other foods (e.g., cookies, meatballs, muffins, pasta sauce, or chili). Tolerated mix-ins such as dry cereal, granola, fruit, coconut flakes, chocolate chips, graham cracker crumbs, etc. may be added to mask the texture, if needed.
- Chocolate or strawberry syrup may be added to foods for flavoring.

You May Also Eat

- You may eat products labeled with peanut precautionary allergen labeling as long as they do not contain any of your other allergens. Example labels include, “May contain peanut” and “Manufactured in a facility that also processes peanut.”

Avoid

- Continue to read product labels (ingredients, contains statements, and precautionary allergen labels) to avoid any additional allergens.
