

4. On a scale of 0 to 4, mark to what extent do you think the following injuries/conditions AFFECT THE TASTE, SMELL, COLOUR AND/OR APPEARANCE OF PIG MEAT OR ITS BY-PRODUCTS. (Mark only **one option** for each injury/condition)

	Unlikely					likely		
	0	1	2	3	4			I don't know
Tail lesions	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>			<input type="radio"/>
Ear lesions	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>			<input type="radio"/>
Lameness	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>			<input type="radio"/>

5. Working place where you carry out your duties:

- | | |
|---|---|
| <input type="radio"/> Pens and/or unloading | <input type="radio"/> Administration/office |
| <input type="radio"/> Finishing pig slaughter | <input type="radio"/> Laboratory |
| <input type="radio"/> Sow slaughter | <input type="radio"/> Other, please indicate below: |
| <input type="radio"/> Deboning | _____ |
| <input type="radio"/> Transportation – truck driver | |

6. Sex

- Male
 Female

7. Age

- 18-25
 26-35
 36-45
 46-55
 over 56 years old

8. Education level

- Up to high school
 Higher education – completed or on-going

9. Do you have any kind of relationship with pig farming? ? (Mark **only one option**)

- Not involved**
 Currently not, but I grew up in an environment related to pig production
 Yes, I am professionally involved in the pig industry (rural producer, student, academic, etc)

10. What kind of animal products do you consume?

- | | |
|------------------------------------|--|
| <input type="radio"/> Pork | <input type="radio"/> Milk and its by-products |
| <input type="radio"/> Beef | <input type="radio"/> Eggs |
| <input type="radio"/> Poultry meat | <input type="radio"/> Sausages (salami, chorizo, etc.) |
| <input type="radio"/> Fish | <input type="radio"/> None |
