

We'd like to ask you how much your parents know about different aspects of your life. We will ask how often your parents actually know about these aspects of your life. So think about what you tell them, as well as what they find out from other sources, such as talking with other parents, monitoring phone calls, and so on.

A1. Who are the adults you live with?

Father

Stepfather

Mother

Stepmother

Other Adult

I don't live with any of these adults

Would rather not answer

A2. We'd like to ask you how much these individuals know about different aspects of your life. We will ask how often each person you checked actually knows about these aspects of your life. So think about what you tell them, as well as what they find out from other sources, such as talking with other parents, monitoring phone calls, and so on.

Got it!

B1. My mother knows who I spend time with.

Never

Once in a while

Sometimes

Often

Always

Don't know

Prefer not to answer
