

Supplementary Table. 1

Hospital	median CTDIvol _{CCCTA}	Image interpreter	Major decision maker of scan methods	Supervision by Radiologist with CBCCT* diploma	Number of cardiac CT in 2021	Number of cardiac CT per month	Number of beds	Site experience in cardiac CT (years)	CT system
A	3	radiologist	radiologist	Yes	216	18	440	15	Dual-source
B	13	radiologist	radiologist	Yes	467	39	685	15	Dual-source
C	19	radiologist	radiological technologist		161	13	486	11	Area-detector
D	20	radiologist	radiological technologist		121	10	328	12	Area-detector
E	25	radiologist	radiological technologist	Yes	111	9	180	11	Standard
F	27	radiologist	radiological technologist	Yes	183	15	430	10	Area-detector
G	30	radiologist / cardiologist	radiological technologist		183	15	423	11	Area-detector
H	32	cardiologist	radiological technologist		282	24	379	14	Dual-source
I	32	radiologist / cardiologist	radiological technologist		721	60	568	12	Area-detector
J	34	radiologist	radiological technologist		122	10	335	12	Area-detector
K	39	cardiologist	radiological technologist		194	16	460	11	Standard
L	48	cardiologist	radiological technologist		273	23	647	15	Standard
M	48	radiologist	radiological technologist		180	15	200	8	Standard
N	48	radiologist	radiological technologist		363	30	400	15	Dual-source
O	48	cardiologist	radiological technologist		74	6	226	13	Area-detector
P	55	cardiologist	radiological technologist		490	41	45	17	Standard
Q	68	radiologist	radiological technologist		49	4	281	13	Standard
R	71	cardiologist	radiological technologist		312	26	199	14	Area-detector
