University of Gawadar

ETHICS COMMITTEE CERTIFICATE OF APPROVAL

This is to certify that

Project No:

Project Title: Impact of artificial intelligence on human loss in decision making, laziness and safety in education

Principal Researcher: Muhammad Irshad

*Was considered by the Ethics Committee for Research on **1ˢᵗ-March-2022**, meets the requirements of the National Statement on Ethical Conduct in Human Research (2007) and was **APPROVED** on **14-March-2021.***

It is the Principal Researcher's responsibility to ensure that all researchers associated with this project are aware of the conditions of approval and which documents have been approved.

The Principal Researcher is required to notify the Secretary of the Ethics Committee, via amendment or progress report, of

- Any significant change to the project and the reason for that change, including an indication of ethical implications (if any).
- Serious adverse effects on participants and the action taken to address those effects.
- Any other unforeseen events or unexpected developments that merit notification.
- The inability of the Principal Researcher to continue in that role, or any other change in research personnel involved in the project.
- A delay of more than 12 months in the commencement of the project; and,
- Termination or closure of the project.

Additionally, the Principal Researcher is required to submit

A Progress Report on the anniversary of approval and on completion of the project.

Approved documents (Attach Questionnaire)
Survey Questionnaire

I am a PhD student and a faculty member at University of Gwadar. . This purpose of this research is pure academic. The confidentiality of collected information is assured. No individual data will be reported.

Gender: Male   Female
Country of Origin   Pakistan   China
Age in Years: Less than 20   20 to 25   26 and above
Qualification: Undergraduate   Graduate   Post-Graduate
