

Supplementary file 2: Example questions asked in interviews (however, they were semi-structured so the questions asked varied depending on topics raised by participants)

Older people	Cultural sector staff
<ul style="list-style-type: none"> • How might places like museums, libraries and botanical gardens support people’s health and well-being? • What might stop older people using museums, libraries and botanical gardens? • How can museums, libraries and botanical gardens be used to help people to connect to others? • How might online cultural activities differ to those that take place in person? • What do you understand by the term ‘social prescribing’? How might museums, libraries and botanical gardens play a role in this? 	<ul style="list-style-type: none"> • What is your organisation doing to support the well-being of older people? • How has what you offer to the public changed/been affected by COVID-19? • What connection, if at all, does your organisation have with social prescribing/LWs? • What are the potential risks or negative consequences of organisations like your own attempting to support older people’s well-being? • How do you assess if what you are doing helps people’s well-being?
