

Supplementary Figure 1

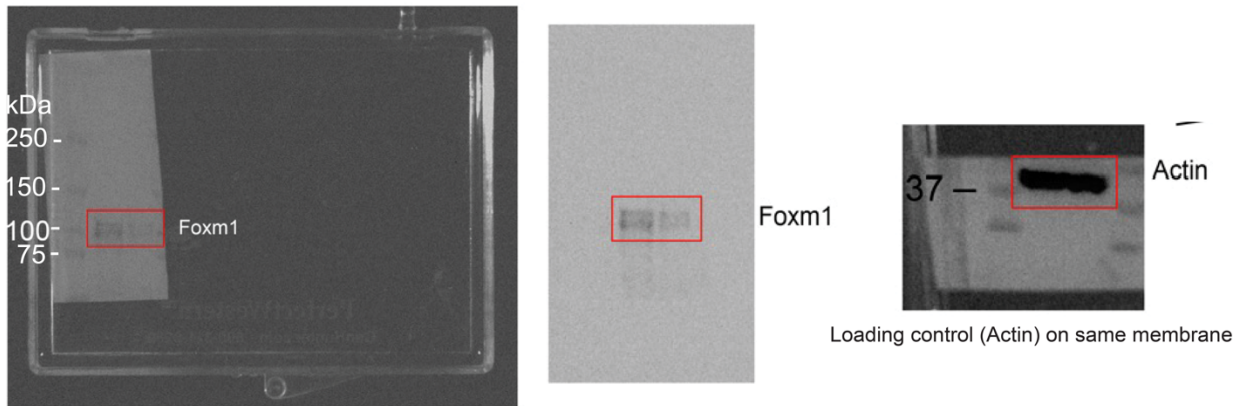

Extended Data Fig. 1b

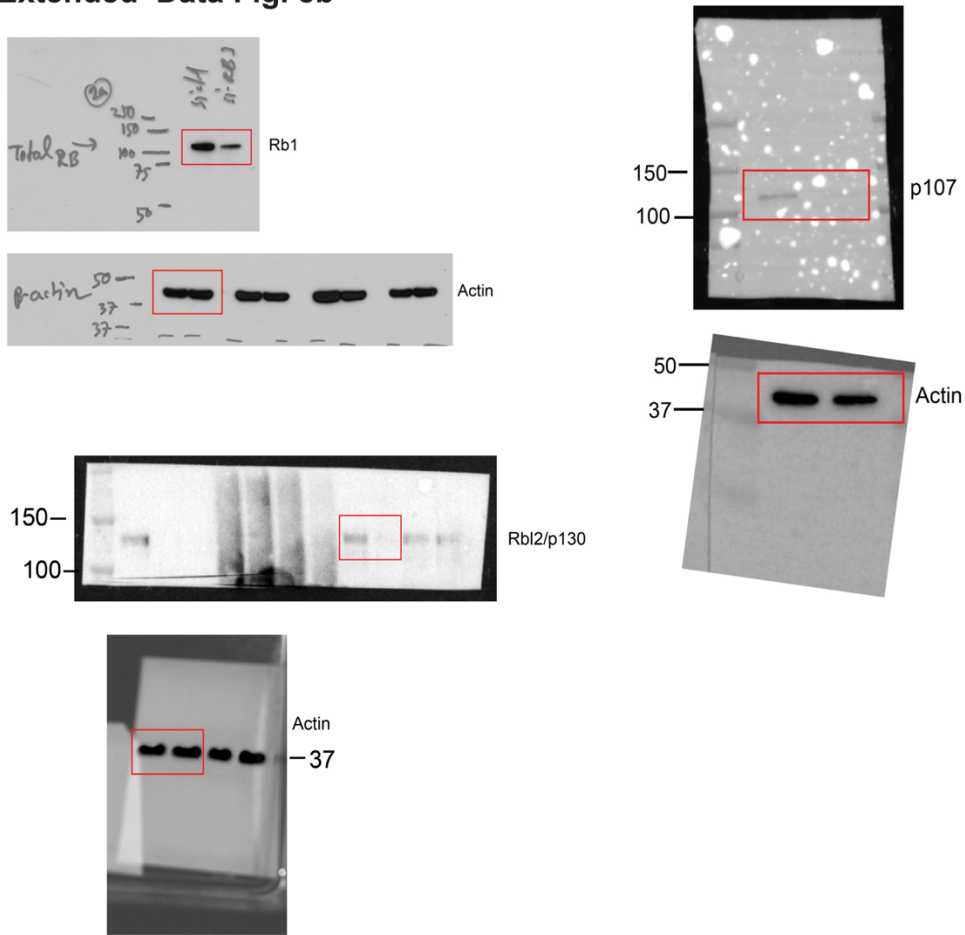

Extended Data Fig. 7b

Extended Data Fig. 7i

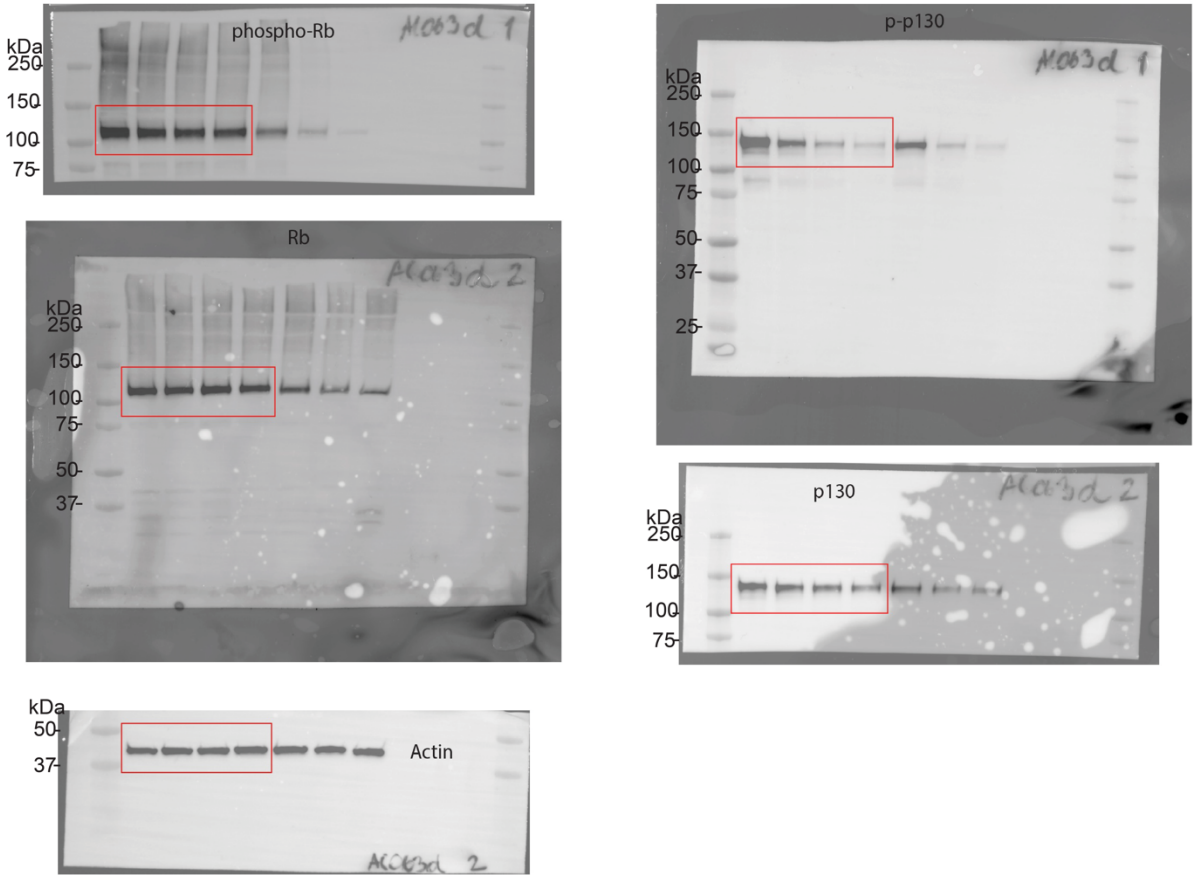

Extended Data Fig. 8b

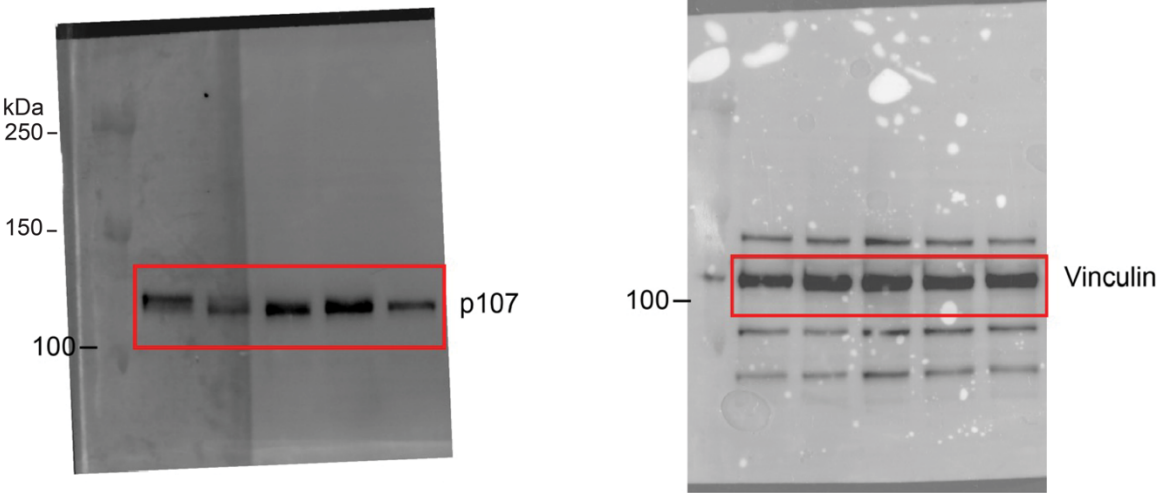

Loading control (Actin) on same membrane for each

Extended Data Fig. 8d

Loading control (Actin) on one of the sample membranes

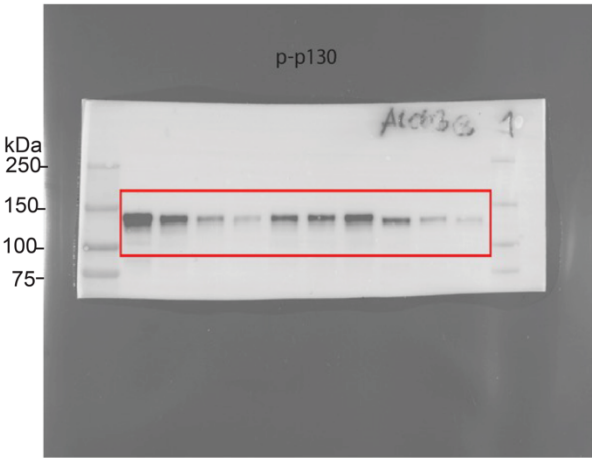

Extended Data Fig. 8e

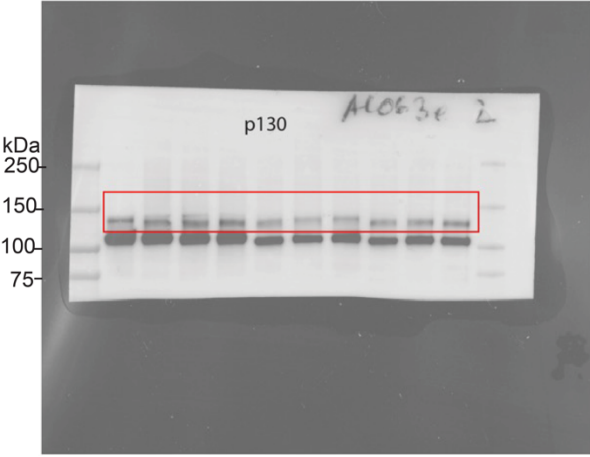

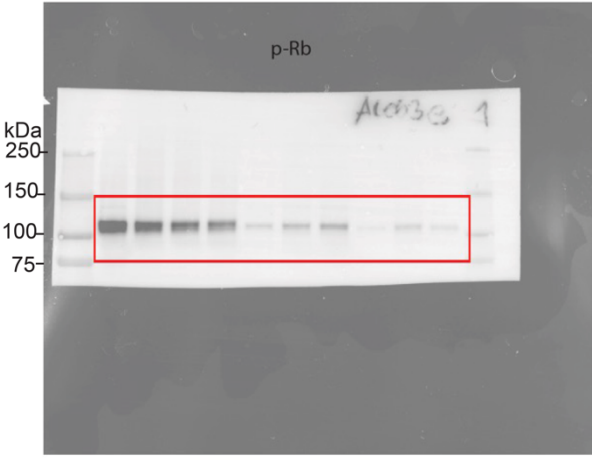

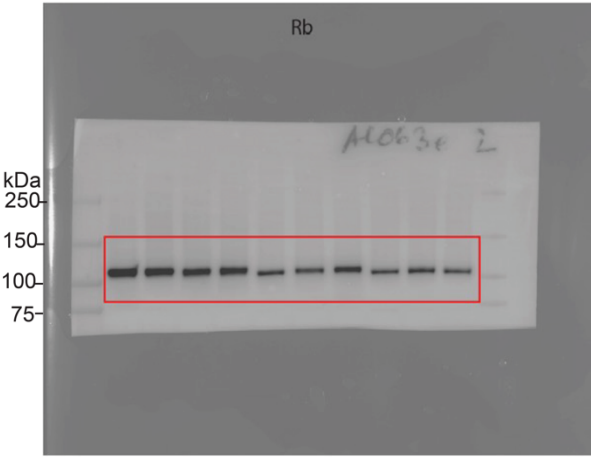

Loading control (Vinculin) on same membrane

Extended Data Fig. 8f

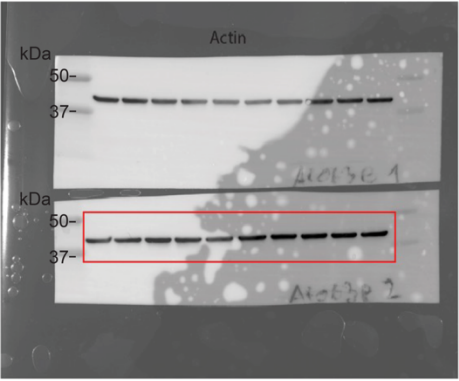

Membrane 1

Membrane 2

Membrane 1

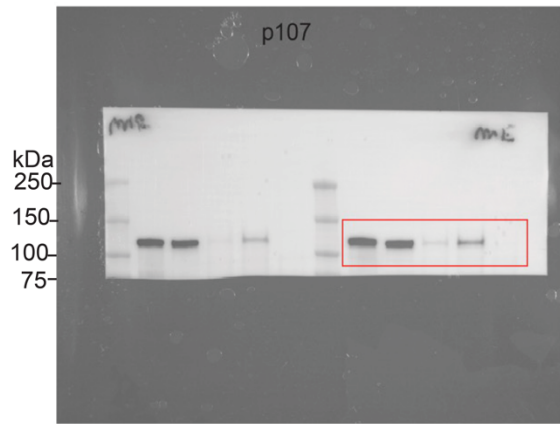

Membrane 2

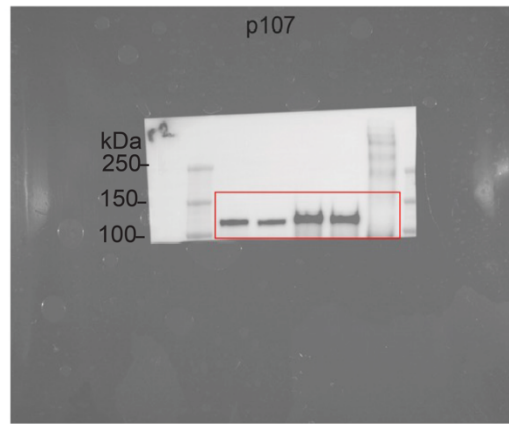

Loading control (Actin) on one of the sample membranes

Extended Data Fig. 8g

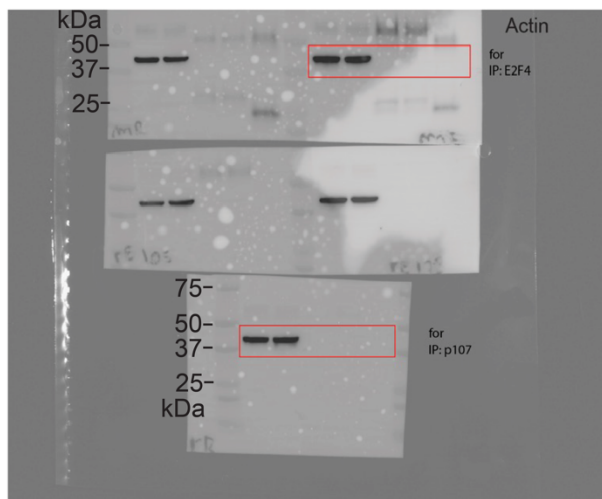

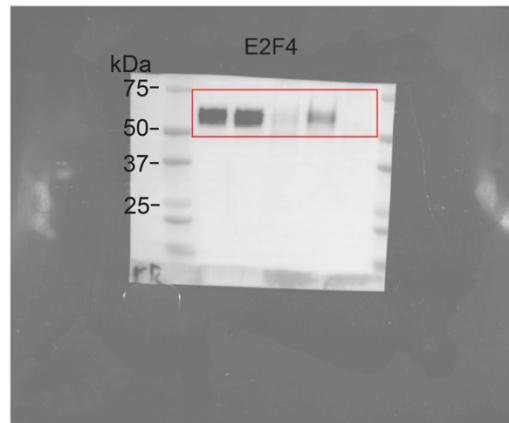

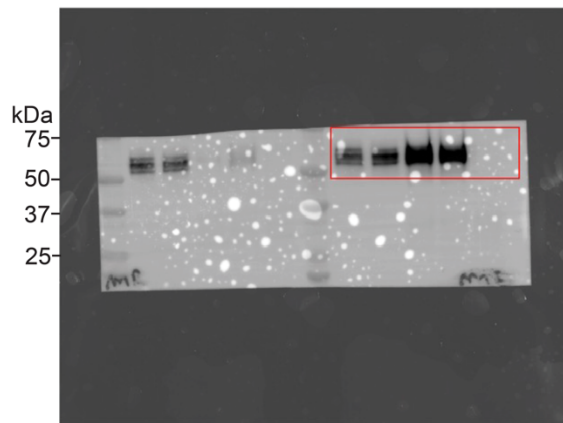

IP: E2F4

IP: p107

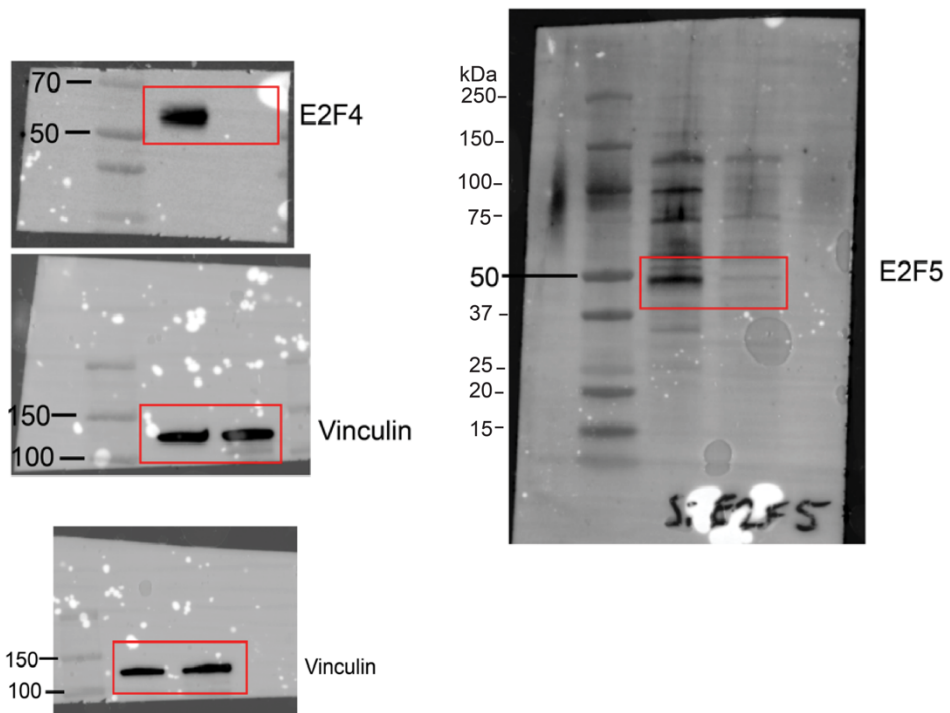

E2F4

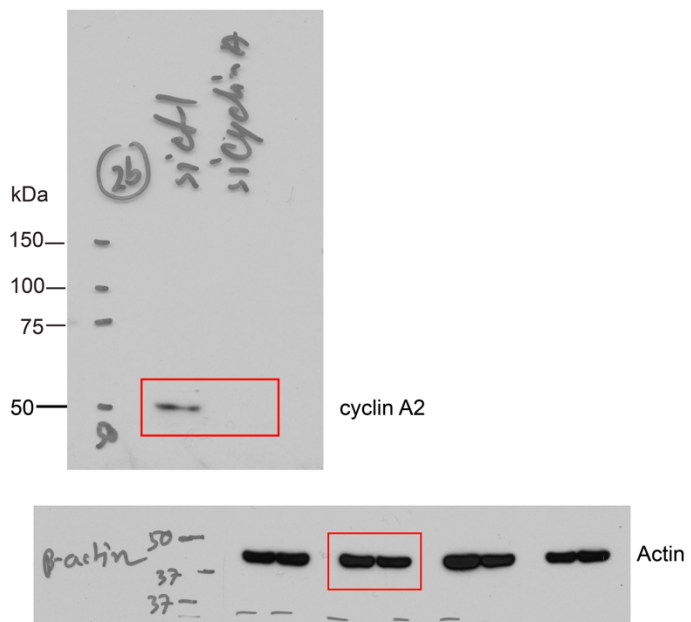

Loading control (Actin) on the same membrane

Extended Data Fig. 8h

Loading control (Vinculin) on the same membrane

Extended Data Fig. 9c

Loading control (Actin) on the same membrane
