

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Acknowledgment to the Authors and Laboratories. The following authors and laboratories are acknowledged for originating and submitting the SARS-CoV-2 genomes to GISAID, which were used as available sequences in this study.

File name: Supplementary Data 2

Description: Supplementary table that provides the access numbers of the novel SARS-CoV-2 sequences obtained from Colombia, which were included in this study. The current status is reported until June 2022. A total of 228 genome sequences were used in this study, with 124 genomes sequenced specifically for this research and 104 genomes downloaded from GISAID. The genomes with a sample collection date within the same time frame as the social protest are highlighted in gray.
