Name of first author/name of corresponding author:_Julia Simard

Printed name, academic degree, and signature of author filling out this copy of form

_Audra Horomanski, MD. _____

1. Individual Author's Financial Disclosure

We regard a relationship that requires disclosure as a relationship (on the part of the author, any member of the author's immediate family, or any individual with whom the author has a significant relationship) with any entity that may potentially benefit from, or be harmed by, the publication of the results of the research or study. Disclosure is also necessary if the author (or any member of the author's immediate family, or any individual with whom the author has a significant relationship) would personally benefit financially from the publication of the results of the research or study. **For purposes of this form, we wish to know about relationships currently, or in the past 2 years, that are relevant to the manuscript being submitted.**

Category of relationship requiring disclosure	Please indicate disclosures by filling in your name in the "Yes" box below. For each name listed, include the name of the company or companies and if the category includes more than one item (e.g. consultancies, speaking fees, or honoraria; patents or licenses; received or pending), indicate which applies. If necessary, provide further details on an attached sheet.		
	No	Yes	
Employment	X		
Consultancies, speaking fees, and honoraria: List all relevant consultancies, speaking fees, and/or honoraria and indicate whether they represent more than or less than \$10,000 per year per entity or a single occurrence	X	<\$10,000	>\$10,000
Stock ownership or options	X		
Expert testimony	X		
Patents, licenses, or licensing fees received or pending (for what product, device, technique, substance, etc.)	X		
Royalties (for what product, device, technique, substance, etc.)	X		
Paid consultation with investment analysts (specify)	X		
Other (specify)	X

2. Please list commercial entities that provided support for this study. (Do not include support from governmental or nonprofit entities here; all support from commercial, governmental, or nonprofit entities must be listed on the manuscript.)

none

3. Study Activities

All authors are required to provide a description of their individual contribution, and the journal may publish that information. **Individuals must meet criteria 1 (1a, 1b, and/or 1c), 2, and 3 below to qualify for authorship.** Please indicate (by filling in your name) the aspects of the work for which you had responsibility.

Authorship criteria	Name(s)
1a. Substantial contributions to study conception and design	Julia Simard
1b. Substantial contributions to acquisition of data	Julia Simard
1c. Substantial contributions to analysis and interpretation of data	Julia Simard
2. Drafting the article or revising it critically for important intellectual content	Julia Simard
3. Final approval of the version of the article to be published	Julia Simard
Other critical study activities (specify):	

4. Signature

I certify that I have read the manuscript and revisions and agree to be a co-author.

I certify that I have participated sufficiently in the work to take public responsibility for this work and to qualify as an author as defined in Section 3 above.

I grant permission for any information I have disclosed on this form pertaining to my financial relationships, grant support, and participation in the study, or an appropriate summary, to be published with the manuscript in *ACR Open* if the manuscript is accepted for publication.

I warrant that the material is original, is not under consideration by another journal or other publication, has not been previously published elsewhere (in part, in full, in other words, or in the same words), and will not be submitted elsewhere unless rejected by *ACR Open*.

2. Please list commercial entities that provided support for this study. (Do not include support from governmental or nonprofit entities here; all support from commercial, governmental, or nonprofit entities must be listed on the manuscript.)

None

3. Study Activities

All authors are required to provide a description of their individual contribution, and the journal may publish that information. **Individuals must meet criteria 1 (1a, 1b, and/or 1c), 2, and 3 below to qualify for authorship.** Please indicate (by filling in your name) the aspects of the work for which you had responsibility.

Authorship criteria	Name(s)
1a. Substantial contributions to study conception and design	Robert Fairchild
1b. Substantial contributions to acquisition of data	Robert Fairchild
1c. Substantial contributions to analysis and interpretation of data	Robert Fairchild
2. Drafting the article or revising it critically for important intellectual content	Robert Fairchild
3. Final approval of the version of the article to be published	Robert Fairchild
Other critical study activities (specify):	

4. Signature

I certify that I have read the manuscript and revisions and agree to be a co-author.

I certify that I have participated sufficiently in the work to take public responsibility for this work and to qualify as an author as defined in Section 3 above.

I grant permission for any information I have disclosed on this form pertaining to my financial relationships, grant support, and participation in the study, or an appropriate summary, to be published with the manuscript in *ACR Open* if the manuscript is accepted for publication.

I warrant that the material is original, is not under consideration by another journal or other publication, has not been previously published elsewhere (in part, in full, in other words, or in the same words), and will not be submitted elsewhere unless rejected by *ACR Open*.

Name and academic degree (type or print) ___ Robert Fairchild, MD
PhD _____
