

Data Sharing Statement

Morain. Physician-Investigator, Research Coordinator, and Patient Perspectives on Dual-Role Consent in Oncology. *JAMA Netw Open*. Published July 25, 2023.

doi:10.1001/jamanetworkopen.2023.25477

Data

Data available: No

Additional Information

Explanation for why data not available: The nature of qualitative data raises distinct considerations for privacy and confidentiality, particularly related to the potential for deductive disclosure. Furthermore, our initial consent promised participants that data would not be shared outside members of the study team.
