

a

PCR gel image of *Plasmodium falciparum*

Where: MW = Molecular weight marker (100 bp)

Presence of bands = *P. falciparum* positive samples (205 bp)

No bands = *P. falciparum* negative samples

b**PCR gel image of *Plasmodium malariae***

Where: MW = Molecular weight marker (100 bp)

Presence of bands = *P. malariae* positive samples (144 bp)

No bands = *P. malariae* negative samples

C

S. haematobium eggs in urine
