## SUPPLEMENTARY DATA

## **Respiratory Infections in the Aging Lung: Implications for Diagnosis, Therapy, and Prevention**

Antje Häder, Nilay Köse-Vogel, Luise Schulz, Lucja Mlynska, Franziska Hornung, Stefan Hagel, Ulf Teichgräber, Susanne M. Lang, Mathias W. Pletz, Claude Jourdan Le Saux, Bettina Löffler, Stefanie Deinhardt-Emmer

## SUPPLEMENTARY DATA

**Supplementary Table 1.** Overview of clinical trials extracted from PubMed between 07/2012 and 07/2022 using the keywords "Pneumonia AND Aging" after exclusion of studies with inappropriate subject matter or studies in which the patients were under the age of 65.

Reference	Title	Content	Summary
Nutrients. 2021 May 2113(6):1760. doi: 10.3390/nu13061760.	Calcifediol Treatment and Hospital Mortality Due to COVID-19: A Cohort Study	Drugs/ Therapy	Pneumonia in the elderly population is a major burden for the health care system. Therefore, appropriate treatment strategies are of particular importance and are being investigated in numerous studies. However, therapy effectiveness is lower in the older patient group.
