

Dear Sir/Madam,

As per instructions provided by the Editorial Office, I have requested agreement from all authors to the new additions in the author list. We have included the agreement from the newly added authors as well just in case this was also necessary.

I have collected their replies by email and have generated a combined PDF document that follows my own agreement statement (below).

I, EVA PORLAN, agree to the addition of Ana Simón-García and Dr. Celia López-Menéndez to the list of authors of the manuscript CDDIS-22-3643RR.

Sincerely,

Eva Porlan
