Rizzolo K, Gonzalez Jauregui R, Barrientos I, et al. Barriers and facilitators to home dialysis among Latinx patients with kidney disease. *JAMA Netw Open*. 2023;6(8):e2328944. doi:10.1001/jamanetworkopen.2023.28944

eAppendix. Participant interview guide

This supplemental material has been provided by the authors to give readers additional information about their work.

eAppendix. Participant interview guide

1. Establish a trusting and personalized relationship with the participant so that the participant does not feel threatened by the interview.
2. *Explore the home dialysis experience*
 - a. Can you describe your experience receiving home dialysis?
 - b. What is the best aspect of home dialysis? What is the worst?
3. *Explore the participant's pre-dialysis experience*
 - a. Was home dialysis discussed with you as an option before you started on dialysis?
 - b. Did you receive education regarding dialysis modalities before starting dialysis?
4. *Explore the participant's motivations for doing home dialysis:*
 - a. Why did you choose to do home dialysis?
 - b. Can you describe some of the conversations that took place about the pros/cons of each dialysis modality?
 - c. Was your family part of the conversation regarding modality choice?
 - d. Did you feel you received all the information that allowed you to make that decision?
 - e. What were your greatest motivations/concerns regarding home dialysis? Did your family have additional concerns about home dialysis?
5. *Explore any challenges to home dialysis:*
 - a. What has been challenging about home dialysis?
 - b. Does anyone help you with dialysis at home?
 - c. Do you have enough supplies?
 - d. Do you have any side effects from the dialysis?
 - e. How do you feel about your dialysis schedule?
 - f. Tell me about your diet on dialysis.
6. *Explore the participant's experience with home dialysis education and clinic:*
 - a. How has your experience been working with the clinic?
 - b. Tell me about your home dialysis education (when starting)
 - c. Do you have any issues with expenses or insurance for home dialysis?
 - d. Do you feel the doctors and nurses listen to your concerns?
7. *Explore the Latino community's concerns about home dialysis:*
 - a. What do you think is most concerning about home dialysis for the Latino community from XXX (replace XXX with country of origin)?
