Additional Information

Explanation for why data not available: The Pregnancy Risk Assessment Monitoring System (PRAMS) data used for this study was provided by the Centers for Disease Control and Prevention (CDC). The authors are not allowed to share the data according to the signed External Researcher Data Sharing Agreement with the CDC. Researchers who are interested in using the PRAMS data can submit a request to the CDC staff. More details on access to the PRAM data can be found on the website (<https://www.cdc.gov/prams/prams-data/researchers.htm>).
