

Data Sharing Statement

Flam-Ross. Economic Evaluation of Extended-Release Buprenorphine for Persons With Opioid Use Disorder. *JAMA Netw Open*. Published September 07, 2023.

doi:10.1001/jamanetworkopen.2023.29583

Data

Data available: No

Additional Information

Explanation for why data not available: The data that we employ to build the simulation do not belong to us – we employ secondary data analysis to build the simulation. We therefore cannot share those data. Supplemental materials for the RESPOND model are available at <https://www.syndemicslab.org/>.
