

Data Sharing Statement

Khan. Surrogate Adiposity Markers and Mortality Among White Adults. *JAMA Netw Open*. Published September 20, 2023. doi:10.1001/jamanetworkopen.2023.34836

Data

Data available: Yes

Data types: Deidentified participant data

How to access data: Please find the link to the UK Biobank Data Showcase here:

<https://biobank.ndph.ox.ac.uk/showcase/> Email address to request access:
access@ukbiobank.ac.uk

When available: With publication

Supporting Documents

Document types: None

Additional Information

Who can access the data: Data will be made available for anyone requesting the data through the UK Biobank application process.

Types of analyses: Data will be made available for anyone requesting the data through the UK Biobank application process.

Mechanisms of data availability: Data will be made available for anyone requesting the data through the UK Biobank application process.

Any additional restrictions: All UK Biobank data from our study can be accessed through an application process that must be completed on the main UK Biobank website.
