

Description of Additional Supplementary File

Supplementary Data 1. Overview of study cohort.

Supplementary Data 2. Somatic substitutions and indels.

Supplementary Data 3. Somatic rearrangements.

Supplementary Data 4. Antibodies used for immunostaining.

Supplementary Data 5. Healthy kidney markers.

Supplementary Data 6. PD50642a markers.

Supplementary Data 7. PD54845a markers.

Supplementary Data 8. Differentially expressed genes
