

Data Sharing Statement

Sánchez-de-la-Torre. Adherence to CPAP Treatment and the Risk of Recurrent Cardiovascular Events. *JAMA*. Published October 03, 2023. doi:10.1001/jama.2023.17465

Data

Data available: Yes

Data types: Deidentified participant data, Data dictionary

How to access data: All available data can be obtained by contacting the corresponding authors (febarbe.lleida.ics@gencat.cat).

When available: With publication

Supporting Documents

Document types: None

Additional Information

Who can access the data: Researchers whose proposed use of the data has been approved

Types of analyses: Specified purpose

Mechanisms of data availability: It will be necessary to provide a detailed protocol for the proposed study, to provide the approval of an ethics committee, to supply information about the funding and resources one has to carry out the study, and to consider inviting the original authors to participate in the re-analysis.
