

## Data Sharing Statement

Kang. Multigenetic Pharmacogenomics–Guided Treatment vs Treatment As Usual Among Hospitalized Men With Schizophrenia. *JAMA Netw Open*. Published October 06, 2023. doi:10.1001/jamanetworkopen.2023.35518

### Data

**Data available:** Yes

**Data types:** Deidentified participant data

**How to access data:** The data presented in this study are available on request from the corresponding author, Prof. Weihua Yue. E-mail: [dryue@bjmu.edu.cn](mailto:dryue@bjmu.edu.cn)

**When available:** With publication

### Supporting Documents

**Document types:** None

### Additional Information

**Who can access the data:** The data will be made available for to researchers whose proposed use of the data has been approved.

**Types of analyses:** The data will be made available for specified purposes, which include further research, replication of findings, and exploration of related research questions within the scope of the study. However, access to the data will be subject to appropriate data sharing agreements, ethical considerations, and compliance with relevant regulations and policies.

**Mechanisms of data availability:** The data will be made available with investigator support and after approval of a data access proposal.
