

Data Sharing Statement

Article Info	https://dx.doi.org/10.21037/mhealth-23-16	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	Yes, upon reasonable request.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	Study quantitative data that does not include identifying information.
4	Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	More detail on the interview and survey questions can be found in the Supplementary. Additional study details, informed consent forms, or other relevant study materials will be shared if requested.
5	When will data availability begin?	Upon publication.
6	When will data availability end?	Two years within the publication date.
7	To whom will you share the data?	Researchers or professionals interested in mHealth who can provide an appropriate plan for use of the data.
8	For what type of analysis or purpose?	For any analysis as long as an appropriate plan and justification is provided.
9	How or where can the data/documents be obtained?	Email the corresponding author: Kristin E. Heron: kheron@odu.edu .
10	Any other restrictions?	We will consider the potential benefits and risks for each request to guide sharing relevant data.
