

File Name: Supplementary Data 1

Description: GO enrichment analysis of up-regulated DEGs at stage I in V991 transcriptome.

File Name: Supplementary Data 2

Description: GO enrichment analysis of up-regulated DEGs at stage II in V991 transcriptome.

File Name: Supplementary Data 3

Description: GO enrichment analysis of up-regulated DEGs at stage I in cotton (V991) transcriptome.

File Name: Supplementary Data 4

Description: GO enrichment analysis of up-regulated DEGs at stage II in cotton (V991) transcriptome.

File Name: Supplementary Data 5

Description: Primers used in the study.
