**Subject:** Fwd: CDDIS-23-2034RR Initial Quality Check

Dear all,  
In order to proceed further with our accepted manuscript, CDDis is asking that all authors confirm their agreement with the change in the author list made between the initial submission and accepted manuscript. The addition of the authors is justified by their contribution to the generation of the revised (and accepted) version.  
From:  
Yves Dondelinger<sup>1,2,\*</sup>, Peter Vandenabeele<sup>1,2</sup> and Mathieu JM Bertrand<sup>1,2,\*</sup>

Could I therefore ask you to reply to this email mentioning your agreement?  
Thank you.  
Best,  
Mathieu
