**The Ethics committee, after careful evaluation of the information provided by
the proponent, expresses a positive opinion regarding the ethics aspects of
the project.**

**The project has been approved by the Ethical Committee for the Psychological
Research of the University of Padova.**

**Please note that this approval is subject to compliance with current privacy
legislation. The current data protection laws (D. Lgs 196/2003 and EU GDPR
679/2016) are valid only for EU participants.**

**The Ethics committee could revoke the approval if the project would not be
carried out according to what has been declared in the research protocol
approved by the committee.**

**For this, modifications of any point of the procedure or of the informed
consent will have to be submitted again to the attention of the Committee.**
