Network Questions Part 1

Thank you for taking part in this study!
You have read the study information letter and have signed an informed consent form, so you understand the purpose of the study and the use to which its findings will be put.
Individuals and institutions will be anonymised in all wider reporting of results.

Section 1: Network Questions

Level of Collaboration

- For the following questions we are asking you to name organisations you are collaborating with on the PPI Ignite Network.
- When choosing an organisation, think about the specific individuals that represent the organisation in the network.
 - For example, if you were collaborating with [removed for peer review] choose [remove for peer review].
- Once you start typing an organisation's full name, an auto fill drop-down box will appear. Select the organisation you want. If needed, click here for a full list of network organisations.

Question 1:
