### Data

**Data available:** No

### Additional Information

**Explanation for why data not available:** We are unable to share individual patient data due to prohibitions of our Data Use Agreements with data providers. We will make a codebook and full analytic code publicly available on a public repository (e.g., Figshare) along with a readme file to orient users to this documentation. We have enclosed the following statement in the acknowledgements: Analytic code for this study has been posted on Figshare, an online repository (DOI: 10.6084/m9.figshare.24224284), including a directory and readme files to orient users to the analytic code
