

Data Sharing Statement

Forrest. Pediatric Medical Subspecialist Use in Outpatient Settings. *JAMA Netw Open*.
Published January 04, 2024. doi:10.1001/jamanetworkopen.2023.50379

Data

Data available: No

Additional Information

Explanation for why data not available: The data are not from consented patients. They are from repurposed EHR and claims data. We cannot make the patient-level data available as a result. The NASEM website does contain much more detailed reports of aggregate data for all three data sources.
