Supplementary Table 1. Capacities matrix for beneficiaries in a CGT hub and spoke model

Beneficiaries				
Actor	Characteristic	Hub	Spoke	Partner Spoke
Donor	Donates cells or other specimen	✓	✓	✓
	Provides accurate information on preexisting conditions or changes in medical history	✓	✓	✓
Patient	Gives specimen	✓	✓	✓
	Accepts preparatory treatments. Receives treatment	✓	✓	X
	Maintains appointments, confirms personal information is accurate	✓	✓	✓
	Screened for clinical trials	✓	✓	✓
	Enrolled in clinical trials	✓	✓	X

CGT, cell and gene therapy.

✓, has capacity; X, does not have capacity.

Note: Cells highlighted in green indicate new roles within a hub and spoke model that are typically not present in existing models of CGT delivery.
