

**Developmental Biology.** In the article “*In vitro* generation of hematopoietic stem cells from an embryonic stem cell line” by Ronald Palacios, Eva Golunski, and Jacqueline Samaridis, which appeared in no. 16, August 1, 1995, of *Proc. Natl. Acad. Sci. USA* (92, 7530–7534), the histograms in Fig. 2 *B* and *C* (on p. 7532) were incorrect. The corrected Fig. 2 is illustrated below. The authors apologize for any inconvenience this may have caused readers.

**Cell Biology.** In the article “Purification, cDNA cloning, functional expression, and characterization of a 26-kDa endogenous mammalian carboxypeptidase inhibitor” by Emmanuel Normant, Marie-Pascale Martres, Jean-Charles Schwartz, and Claude Gros, which appeared in number 26, December 19, 1995, of *Proc. Natl. Acad. Sci. USA* (92, 12225–12229), the authors request the following correction be noted. The GenBank Accession No. on p. 12225 should read U40260.

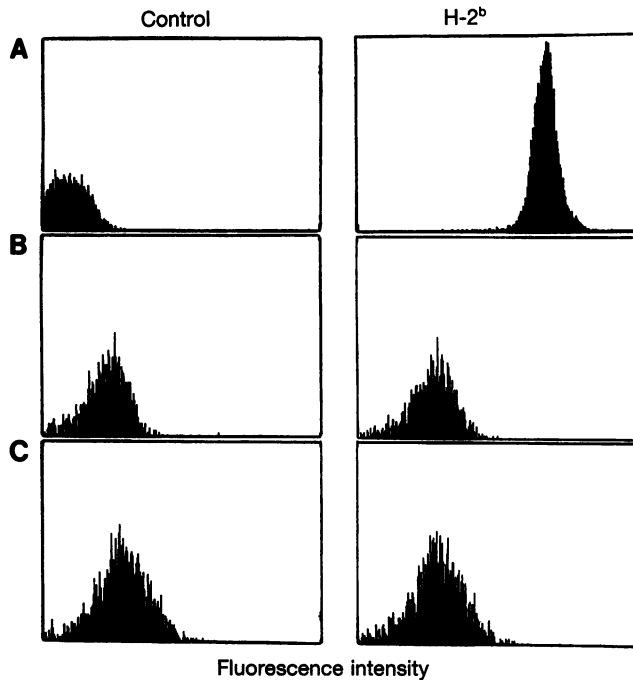

FIG. 2. Specificity of the 28-8-6 antibody for MHC class I H-2b haplotype. The MHC class I H-2b-specific antibody 28-8-6 stains mononuclear marrow cells from C57BL/6 (H-2b) (*A*) but not from CB17 SCID (H-2D) (*B*) or C3H SCID (H-2K) (*C*) mice.
